

WHY ACCOMMODATE?

Automate, simplify, and track the approval and delivery of accommodations.

Accommodate

Accommodate is the only 508 compliant Software-as-a-Service solution, self-service portal and accommodation case management system on the market today.

USE ACCOMMODATE TO

Request accommodations

Track cases

Report to the OFCCP

Government contractors and subcontractors can use Symplicity's Accommodate to report workplace accommodation cases to the Office of Federal Contract Compliance Programs. Accommodate provides on demand reporting and easy case tracking, making it simple and seamless to comply with Section 503 of the Rehabilitation Act and respond to audits and inquiries.

Apply your policies and procedures to build your accommodations list.

What kind of accommodations can users request?

Medical and other disabilities

Room or technology booking

Pregnancy or nursing mothers

Religious observances
